Dear Eric:

It was a great pleasure to be with you on Thursday and, again, my thanks for being so generous with your time and constructive thoughts.

The matter involving the Smithsonian is, I can see, quite a conundrum for the three ANS councillors concerned and will probably require more information before a proper course can be chosen.

On the Dr. Suros matter, I will take this up with Les and Allen Lovejoy when I meet with them on the 29th. Following that conversation I will let you know what transpires.

Best regards to Evelyn. It was a pleasure to see her, also.

Yours sincerely,

R. Henry Norweb, Jr.
